50X1-HUM

During May 1951, seven armed individuals reportedly made an unsuccessful attempt to blow up an ammunition dump located approximately 2,000 meters west of Kicevo in the Gostivar-Kicevo area of Macedonia. The armed men approached the ammunition dump during the night, killed one of the guards, and hurled hand grenades into the dump. The following day Yugoslav authorities searched the surrounding area for traces of the armed men.
